INDEX

—TO—

VOLUMN LV.

July 1 to December 31, 1891.

A

Acids, Insolubility of Pure Metals in..... 409
Acknowledgment, Ex-Secretary Humphreys'..... 649
Adams, H., Timber Piling in Foundations and Other Works.. 111, 150
*Adam Type Thirty-Horse Four-Cylinder Gas Engine..... 116
Advances in Electric Heating..... 258
Air Compressors and Motors, Compound..... 885
Air in Purifying Gas, The Use of, by Norton H. Humphrys.. 43
Alabama Coal Fields, Economical Review of, by C. R. Claghorn..... 512
Alabama Coals, The Ultimate Composition of Some, by Wm. B. Phillips, Ph. D..... 113
Alabama, The Mines Law of..... 117
*Alkali Process, The Simpson..... 440
*Allen, J. F., Process of Gas Manufacture, The..... 188
Alternating Current Motor, An..... 43
Alternating Electric Systems and Their Physical Hazards, by George P. Low..... 845
American Gas Light Association, Nineteenth Annual Meeting of the..... 615, 651, 686, 735
*Ammonia Engine, The Campbell..... 154
Ammonia, Sulphate, Manufacture of in Small Gas Works, by T. Frizelle..... 362
Analysis and Cost of Rose Fuel Gas..... 441
Analysis of Three Samples of Crude Petroleum, by Durand Woodman, Ph. D..... 154
*Apparatus for Drilling Water Mains, Pearson's..... 334
Apparatus for Testing the Sensitiveness of Safety Lamps, by Prof. Frank Clowes..... 298
*Arc Lamp, The "Midget"..... 221
Arc Lighting, Different Forms of Carbons Used in, by W. C. Warner..... 439
Arc Lighting Hazards, by George P. Low..... 332
Arc Lighting System, Some Details of the Care and Management of an, by J. L. Ayer..... 476
Asbestos Mining in Canada..... 589
*Ascension Pipes, The Prevention of Stoppages in, by Norton H. Humphrys..... 811
Asphaltum..... 226
Atkinson, John B., Coke Making in Western Kentucky..... 368
*Automatic Refrigerator System, The Colorado, by A. McL. Haws, C. E..... 114
Ayer, J. L., Some Details of the Care and Management of an Arc Lighting System..... 476

B

Basic Units of Economy in the Manufacture of Gas and Electric Light, by R. B. Taber..... 434
Batteries, Secondary..... 887
*Berlin Iron Bridge Company, Shops of the..... 472
Bill to Enable Municipalities in Massachusetts to Distribute Gas and Electricity, Text of the..... 6
Bituminous Coal Trade, The Western..... 917
Black, A., C. E., Shoring and Underpinning Buildings..... 294
Blackening of Incandescent Lamps, The, by L. S. Powell..... 5
Blue Prints, New Process for Toning..... 481
Boiler Deposits, by Prof. Vivian B. Lewes, F. C. S..... 221, 260
Boiler, The Care of a..... 335
Bradford Oil Field, History of the..... 403
*Bredel's Improved Gas Retort..... 152
Breeze, Coke, The Utilization of..... 186
*Building a Concrete Sewer, by Wm. Worthen..... 368
Burners, Incandescent Gas..... 548

C

*Campbell Ammonia Engine, The..... 154
Canada, Asbestos Mining in..... 589
Candles, C. W. Young on Standard Sperm..... 405
*Carbonizing by Machinery, by J. Tysoe..... 878
Carbons Used in Arc Lighting, Different Forms of, by W. C. Warner..... 439
Carbureting Materials Other Than Cannel, Enrichment of Coal Gas by, by Prof. Vivian B. Lewes, F. C. S..... 3
Care of a Boiler, The..... 335
Castings, The Working of Steel..... 743
Cements, Mastics or Metallic..... 259
Central Station Combining the Advantages of Both the Continuous and Alternating Current Systems, by H. W. Leonard..... 510
Central Stations Operated by Water Power, by G. A. Redman. 487
Central Station, The Edison Company's Brooklyn, N. Y..... 81
Charge of Judge Gunnison (Erie, Pa.) in the Case of Local Natural Gas Company vs. Nicholson..... 224
Charges for Natural Gas for Domestic Consumption..... 885
Chimney, A Large..... 301
Chimney for the Narragansett Electric Lighting Company, Providence, R. I., by J. T. Henthorn..... 514
Chimneys, Steel, for Mercantile Buildings..... 223
Claghorn, C. R., Economical Review of Alabama Coal Fields. 512
Cleveland Gas Light and Coke Company Scores a Substantial Victory, The..... 741
Clowes, Prof. Frank, Apparatus for Testing the Sensitiveness of Safety Lamps..... 298
Coal Dust Explosions, Preventing..... 85
Coal in Gas Works, The Storage of, by D. Irving..... 475
Coal Measures of Washington, The, by S. G. Dewsnap..... 363
Coal Product of Illinois, Ohio, Indiana and Michigan..... 10
Coal Raised from Deep Mines..... 443
Coals, The Ultimate Composition of Some Alabama, by Wm. B. Phillips, Ph. D..... 113
Coal, Spontaneous Ignition of..... 404
Coal, Spontaneous Ignition of, by Prof. Vivian B. Lewes.... 544
Coal Storage, by J. McGilchrist..... 110
Coal, The Pressure of Gas in..... 404
Coal Trade, Bituminous, The Western..... 917
Coke as a Locomotive Fuel..... 80
Coke Breeze, The Utilization of..... 186
Coke Making in Western Kentucky, by John B. Atkinson.... 368
*Colorado Automatic Refrigerator System, The, by A. McL. Haws, C. E..... 114
Colored Lights, Photometry of Different..... 813
Companies or Corporations, Should the Supply of Gas be in the Hands of, by D. Williamson..... 328
Comparative Photometric Tests of Large Gas Burners and Lanterns for Public Lighting..... 847
Compound Air Compressors and Motors..... 885
*Concrete Sewer, Building a, by Wm. Worthen..... 368
Condensation of Steam, The..... 920
Conductors, Lead Covering for Electrical..... 82
Construction and Working of Regenerative Retort Settings, The, by G. Love..... 290

CORRESPONDENCE—

Experience in Oxide Purification, An..... 553
Mr. Egner's Men Bid Him Good-bye..... 2
Purification of Gas..... 816
Status Quo of Mr. Smedberg, The..... 817
Correspondence, Special English....118, 262, 441, 586, 778, 922
Correspondence, Special Western.....398, 471, 543, 650, 770, 842, 914
Currents, Experiments with High Tension..... 706
Current, The Multiple..... 658
Cylinder Oils..... 886

D

Dangers, Some, in Electric Lighting..... 5
Dayton (O.) Natural Gas Company to Its Consumers, The.... 296
Decision of Judge Jackson in the Case of the Cleveland Gas Light and Coke Company..... 741
Decline of Natural Gas Pressure, The..... 223
Dewsnap, S. G., The Coal Measures of Washington..... 363
*Dexter, F. G., Some Experiments on the Revivification of Oxide of Iron in Closed Boxes..... 146
Differential Rates, by T. Newbigging 309, 915
"Differential Rates," A Discussion on..... 915
District Steam Systems..... 81
Dividends, How to Increase..... 326
Do Gases Stratify? by Prof. E. G. Love..... 806
Drawings, Mounting..... 8
*Drilling Water Mains, Pearson's Apparatus for..... 334
Dry Meters, The Diaphragm or Measuring Chamber of, by W. J. Warner..... 74

E

Eastern Europe, Public Lighting in..... 509
Economical Review of Alabama Coal Fields, by C. R. Claghorn..... 512
Economical Working of Small Gas Works, The, by F. Weller.. 507
Economics of Iron and Steel..... 442
Edison Company's Central Station, Brooklyn, N. Y., The..... 81
Edison Electric Light Company vs. United States Electric Lighting Company, Text of Decision in the Case of the.. 224, 261
Effects of Specific Hydrocarbons on the Lighting Value of Combustible Gas, by Prof. W. Foster..... 38
Eldridge, George, Oil Tank Steamers..... 401
Electrical Conductors, Lead Covering for..... 82
Electric Gas Lighting Apparatus..... 115
Electric Heating, Advances in..... 258
Electricity and Life..... 409
Electricity and its Influence Upon the Animal Body in Health and Disease, Heat in its Relationship to..... 919
Electricity, Some Practical Disadvantages Incidental to the Generation and Distribution of to Consumers, by Norton H. Humphrys..... 921
Electric Lighting, Some Dangers in..... 5
Electric Light in Holland..... 580
Electric Light in Paris, The..... 117
Electric Systems, Alternating, and Their Physical Hazards, by George P. Low..... 845
Electric Transmission of Power..... 586
Ellery, C. Stafford, On the Raising of a Retort House Roof... 2
*Engines, An Exhibit of Oil and Gas..... 77
Engines, Gas, in Small Gas Works, by Norton H. Humphrys.. 187
Engines, Gas, Practical Hints on the Management of..... 370
Engines, Oil..... 366
*Engine, The Campbell Ammonia..... 154
*Engine, The Rollason Gas..... 366
Enrichment of Coal Gas by Carbureting Materials Other Than Cannel, by Prof. Vivian B. Lewes, F. C. S..... 3
Estimate of the Net Cost of Working with Power Produced on the Premises by Small Motors, An.....772, 807
*Exhibit of Oil and Gas Engines, An..... 77
Experience in Oxide Purification, An..... 553
Experiments with High Tension Currents..... 706
Explosion in Gases, The Rate of..... 364
Explosions, Preventing Coal Dust..... 85
Explosions, Prevention of Firedamp..... 121

EDITORIALS—

American Gas Light Association Proceedings, The..... 649
Annual Meeting, Society of Gas Lighting..... 913
Another Gas Scandal at Chicago..... 73
Another Turn in the Standard Company's Tide..... 841
Books Received..... 73
Changes in Connection with the New York Meeting of the American Association..... 507
Cheaper Gas for Madison, Ind..... 38
Chicago Gas Club's First Session, The..... 507
Committee on Papers, American Association..... 878
Continued Illness of Secretary Humphreys, The..... 325
Correction, A..... 686
Current Official Circulars..... 398
Death of Mr. J. U. Corbett..... 913
Death of Mr. Richard Salter..... 362
Death of Mr. Samuel Prichitt..... 434
Destruction of a Gasholder..... 109
End of the American Association Proceedings..... 736
First Steps Taken by Committee on World's Fair, American Association..... 841

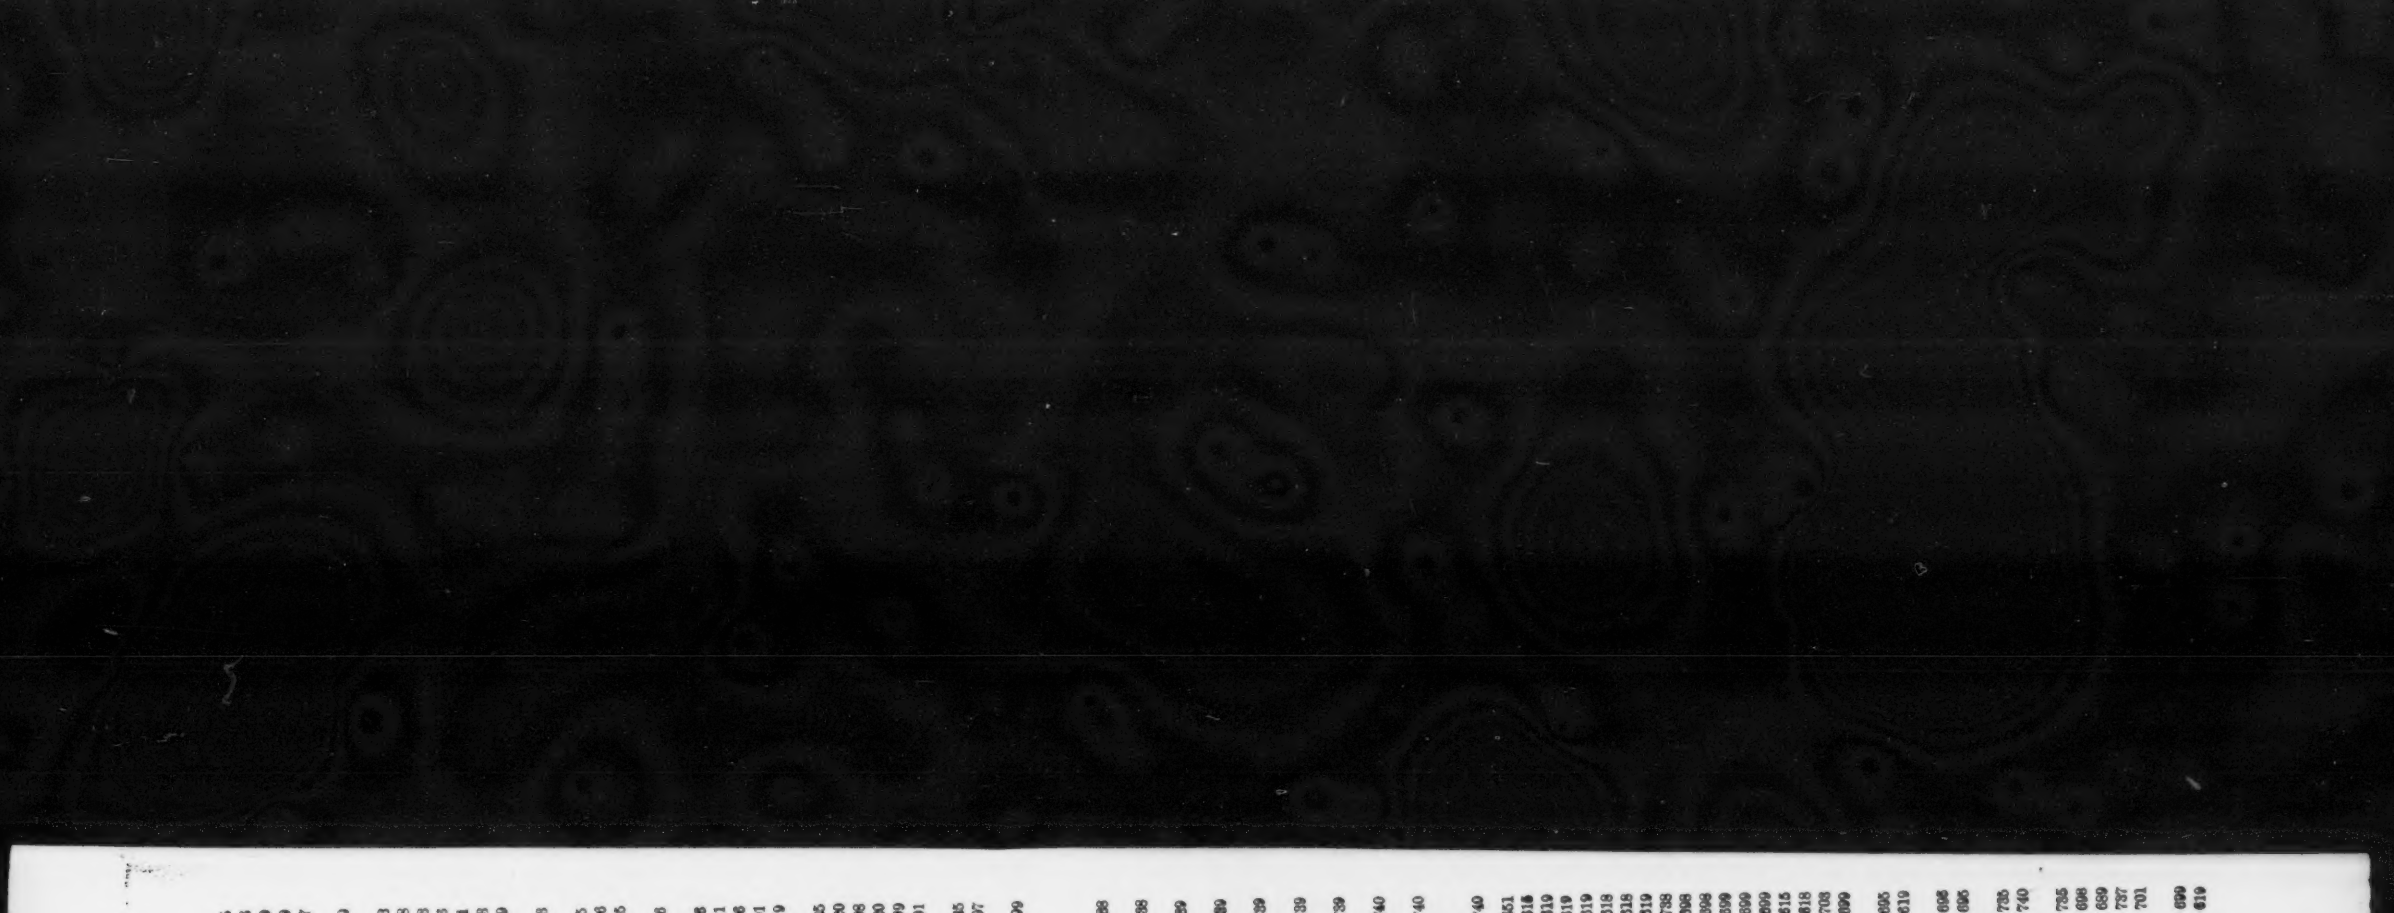
SPECIAL INDEX.

Report of Proceedings Nineteenth Annual Meeting American Gas Light Association.

Address, Opening..... 620
Amending the Constitution..... 617
Applications for Membership..... 615
Appointment of Committee of Arrangements..... 701
Appointment of Committee on World's Fair Exhibits..... 737
Appointment of Committee to Prepare a Souvenir to the Retiring Secretary..... 695
Arrival of President Harbison..... 697
Boardman, A. E., Response of..... 698
Calling the Roll..... 615
Carbureted Water Gas, The Manipulation of Tar from, by David Douglas..... 695
Clark, Walton, Meter Rents: A question of Equity and Policy 686
Clark, Walton, Response of..... 699
Committee of Arrangements, Appointment of..... 701
Committee on Nominations, Report of..... 619
Committee on World's Fair Exhibits, Appointment of..... 737
Committee on World's Fair, President Harbison Replies to Attacks on the Course of the..... 699
Committee on World's Fair, Report of..... 619
Committee to Prepare a Souvenir to the Retiring Secretary, Appointment of..... 695
Constitution, Amending the..... 617
Council, Report of..... 615
Douglas, David, The Manipulation of Tar from Carbureted Water Gas..... 695
Election of Members..... 616
Election of Officers..... 620
Finance Committee, Report of..... 619
Harbison, President, Arrival of..... 697
Harbison, President, Replies to Attacks on the Course of the Committee on World's Fair..... 699
Illuminating Power of Mixtures of Coal and Water Gases, The, by Prof. E. G. Love..... 693
Installing the Officers Elect..... 698
Intensity of Light, by A. B. Slater, Jr..... 703
Introduction of New Members..... 616
Leakage, by Chas. H. Nettleton..... 651
Light, Intensity of, by A. B. Slater, Jr..... 703
Lime, by Dr. A. W. Wilkinson..... 689
Love, Prof. E. G., The Illuminating Power of Mixtures of Coal and Water Gases..... 693
Manipulation of Tar from Carbureted Water Gas, The, by David Douglas..... 695
Members, Election of..... 616
Membership, Applications for..... 615
Meter Rents: A Question of Equity and Policy, by Walton Clark..... 686
Mixtures of Coal and Water Gases, The Illuminating Power of, by Prof. E. G. Love..... 693
Nettleton, Chas. H., on Leakage..... 651
New Members, Introduction of..... 616
Next Meeting, Place of..... 701
Nominating Committee, Report of..... 619
Norris, Rollin, Theoretical Effect of Preheating Blast Steam and Oil in Water Gas Manufacture..... 735
Officers, Election of..... 620
Officers Elect, Installing the..... 698
Opening Address..... 620
Pearson, Wm. H., Response of..... 699
Place of Next Meeting..... 701
Preheating Blast Steam and Oil in Water Gas Manufacture, Theoretical Effect of, by Rollin Norris..... 735
President Harbison, Arrival of..... 697
President Harbison Replies to Attacks on the Course of the Committee on World's Fair..... 699

Question-Box:

1. What Has Been the Result of Gas Companies Furnishing Gas by Contract?..... 738
2. What Success Has Been Attendant Upon the Use of Explosives for Cleaning Stopped Services?..... 738
3. What is the Effect of Unpurified Water Gas on Holders?..... 739
4. What is the Best Method of Using Naphtha as an Enricher in Small Works?..... 739
5. What Size of Purifiers Should be had for Oxide with Make of 200,000 Cubic Feet per Day?..... 739
6. What Per Cent. of Free Sulpher Should Spent Oxide Contain?..... 739
7. Would it Pay Large Gas Companies to Collect Their Bills Through the American Express Company?.... 739
8. Will it Pay to Utilize Hydraulic Main Liquor of One to Two Ounces Strength, etc?..... 740
9. What Comes Properly into the Account in Estimating the Cost of Gas in the Holder?..... 740
10. By What Right Does ——— Publish Lighting Statistics Which Have Been Furnished to the Government in Confidence and Under a Promise of Secrecy?. 740


Reading the Papers..... 651
Report of Council..... 615
Report of Committee on Nominations..... 619
Report of Committee on World's Fair..... 619
Report of Finance Committee..... 619
Report of Secretary..... 618
Report of Treasurer..... 618
Reports of Special Committees..... 619
Resolutions Tendered to the Retiring Secretary..... 738
Response of Capt. Wm. H. White..... 698
Response of A. E. Boardman..... 698
Response of Wm. H. Pearson..... 699
Response of Walton Clark..... 699
Response of A. B. Slater, Jr..... 699
Roll Call..... 615
Secretary and Treasurer, Reports of..... 618
Slater, A. B., Jr., Intensity of Light..... 703
Slater, A. B., Jr., Response of..... 699
Souvenir to the Retiring Secretary, Appointment of Committee to Prepare a..... 695
Special Committees, Reports of..... 619
Tar from Carbureted Water Gas, The Manipulation of, by David Douglas..... 695
Telegrams of Sympathy..... 621, 695
Theoretical Effect of Preheating Blast Steam and Oil in Water Gas Manufacture, by Rollin Norris..... 735
Votes of Thanks..... 740
Water Gas Manufacture, Theoretical Effect of Preheating Blast Steam and Oil in, by Rollin Norris..... 735
White, Capt. Wm. H., Response of..... 698
Wilkinson, Dr. A. W., on Lime..... 689
World's Fair Exhibits, Appointment of a Committee on..... 737
World's Fair Matter Again, The..... 701
World's Fair, President Harbison Replies to Attacks on the Course of the Committee on..... 699
World's Fair, Report of Committe on..... 619
